Subject: R14 08 013, Request for Extension

To Administrative Law Judge Mason:

Pursuant to Rule 11.6 of the Commission's Rules of Practice and Procedure, PG&E requests a one-week extension of time to file comments on the *Assigned Commissioner's Ruling on Track 3 Issues*, dated August 9, 2016 (Ruling). The Ruling allows parties to file comments on questions regarding Track 3 issues no later than August 16, 2016. PG&E requests an extension to better ensure coordination with the Integrated Distributed Energy Resources (IDER) proceeding that the Ruling identified as addressing certain DRP policy issues. The additional time would allow for more thoughtful and coordinated responses with the IDER Competitive Solicitation Framework Working Group report comments due August 22, 2016.

Pursuant to Rule 11.6, PG&E conferred with the other parties in this proceeding regarding PG&E's request by sending an email to the service list earlier today. PG&E received thirteen responses to PG&E's email. Ten parties support the extension (TURN, SolarCity, Vote Solar, Mission Data Coalition, CSE, NRDC, the Clean Coalition, EDF, MCE and SDG&E). CALSEIA does not oppose the extension and ORA and IREC take no position on the extension.

We appreciate your consideration of this request.

Respectfully submitted.
